

## Future State Deep Dive – Role Summary

This tool creates structure to the design of a role, and is a great way to get feedback from stakeholders during the co-design process.

|                                |   |
|--------------------------------|---|
| <b>Role Title</b>              |   |
| <b>Purpose of the role</b>     |   |
| <b>Key accountabilities</b>    | <b>Key collaborations</b>                     |
| <b>Performance indicators</b>  | <b>Decisions this role makes autonomously</b> |
| <b>Skills and capabilities</b> | <b>Career progression pathway</b>             |
